

**M/WBE, SBE, EBE, DBE Certified**

## **CREATIVE WINDOW FILM SOLUTIONS FOR PROPERTY MANAGEMENT**

**Temperature Imbalances:** Are your tenants either freezing, or burning up? If so, Window Film could be the right solution for tenant comfort, by reducing those imbalances, you'll receive less complaints.

**Anti-Graffiti Film:** Can you afford to not have Anti-Graffiti Film? We can apply a sacrificial layer of window film to your exterior glass, protecting it from graffiti and vandalism. That way it's only a piece of window film you need replace, not a whole window!

**Decorative Window Film:** We specialize in window films for tenant finish. Have a new tenant moving in that needs to refresh the glass? From 3M's Fasara line to custom graphics, we have what your tenants needs to refresh their space.

## **WHY CHOOSE SOLAR VISION INC.?**

**Professional Installation:** Our Installers are part of our team, not Sub Contractors! They are OSHA 10 Certified Professional Window Film Installers. Our team of Installers can respond quickly and efficiently to your window film needs.

**Customer Service:** Along with a highly skilled team of Window Film Installers, we also have a fully staffed office here to respond to all your window film needs 8am-5pm Monday- Friday

**3M** We are the largest 3M Window Film Dealer in Colorado and carry their entire product line.

## **SOLAR VISION INC. STANDS BY OUR 5 CORE VALUES**
